Club News

Spring is in the air! After what has seemed like a long & wet winter, the sun has finally decided to grace us with its presence on the course. How long will it last?

The Artisan Golf Club has been asked to supply marshals for the Seniors Men's Open at Carnoustie from 19th July to 24th July. A notice is on the Ladies and Men's Locker Rooms with Colin Smith and George Drain's phone numbers who have all the details.

The house committee has requested that members swipe their cards when entering the clubhouse rather than using the code which will soon change. In addition they ask that the back entrance to the men's locker room is kept closed rather than be jammed open by the bin. These measures should ensure better security around the clubhouse to the benefit of all members.

Can members refrain from using the waste bins, located in the car park, for disposal of old golf trolleys, broken equipment etc as this is causing issues during emptying.

As mentioned in last month's newsletter, the golf club is still actively seeking a replacement secretary. If anyone would like to take up the position John Ironside would gladly take the time to assist and guide them in the beginning.

Finally, one last reminder to any members who still have to pay their club & course fees for 2016. These are now due!

The Pro's Notes

One for the diary! Please note that tee time bookings re-start on Saturday 26th March. Lindsay Ewart now has all 2016 TaylorMade equipment in the shop. He is arranging a TaylorMade demo day on Tuesday 26th April from 1400 to 1800. The trackman and custom options will be available. This is by appointment bookable with Lindsay at the shop.

Course News

You will note that the green keeping staff have roped off areas of the course to allow regeneration ready for the summer months. Marker boards have also been positioned around the course detailing which way golf carts / caddies should be taken. Could we kindly ask that all members observe these notices for the long term benefit of the course. All bunkers will remain out of play until 25/03/2016 & winter mats will be in use until 28/03/2016.

Celebrate A Special Event At The Club

Our facilities are available for use by members and also available for hire to non-members by arrangement. We think you would find our club an ideal venue for small receptions, birthday, anniversary or retiral parties. Mhari Hannah and her catering staff will provide catering for your party or function & she would be delighted to discuss your requirements.

What's On In The Clubhouse

There will be a quiz after this year's Nod Scramble on the 26/03/2016. We plan to have the teams based on those that played in the competition so good luck in the draw!

Would any of our members be interested in starting a Pool or Darts team? If yes, let us know & we will see what we can arrange!
