Club News

Arbroath Day: The golf club took part in this event which was staged by the Rotary Club in the Community Centre on 16th April, the purpose of which was to try and promote clubs and leisure activities in Arbroath. Unfortunately as far as gaining new members was concerned it was not very successful. It was a success in the sense of networking with other organisations

from the viewpoint of putting the Golf Club forward as a venue for functions and social activities as the public were not aware they could hire the club for the like. Hopefully this will have a beneficial effect by making more use of the club and gaining additional revenue for both catering and bar. Thanks to all committee members who gave up their time to tend the stall on the day.

Celebrate A Special Event At The Club

Our facilities are available for use by members and also available for hire to non-members by arrangement. We think you would find our club an ideal venue for small receptions, birthday, anniversary or retiral parties. Please contact either Mhari or Richard Hannah for further information.

Course News

The course has suffered recently due to the lack of rain and a week of strong northern winds which has dried the greens out. We are having a few problems with recurring electric faults and burst pipes in the greens sprinkler system but are working hard to rectify these. A number of pedestrian foot bridges on the course have suffered damage to their supporting structures over the winter months and this may result in a small inconvenience whilst repair works are carried out. Could we remind all members that the small foot bridges are for pedestrian traffic only & should not be used by motorised "ride on" golf carts.

Pro's Notes

Lindsay Ewart will be holding a Cobra demonstration day on the 6th of June between 14:00 & 17:30hrs. Please contact Lindsay for further information regarding this event.

Seniors

Please note that the revised date for the 1st round of the Young Cup will be the 12th August and is open to all Seniors.

Up & Coming Competition Date.

Rich Cargill AmAm – 05/06/2016

Ladies

Last Saturday the Ladies played the qualifying round in the Barnardo's Competition, won by Marion Gallacher. In the past Barnardo's have held the final at Arbroath but this year they are not having one!

On Saturday 21st of May the ladies will be taking part in the qualifying heat of the Peugeot Coronation Foursomes. The winners will go forward to one of the 16 area finals. Overall winners invited to take part in 2017 Ricoh Women's British Open Pro-am to be held at Kingsbarns Golf Links. Good luck to all who take part!

Acknowledgements

Congratulations to both Fred Reid for winning the Tom Pullar trophy and Ally Cromar who won the Sid McLeish memorial.

Jim Tollerton has announced that he is to be stepping down from the committee. I am sure all members will join me in taking this opportunity to thank him for his dedication to the club!

What's On In The Clubhouse

The Golf Club can now offer Credit Card facilities, a swipe card machine has now been installed at the Bar and you can now use this to pay for your Fees or Bar Bill.

Event Notice

SCOTTISH GOLF UNION MEMBERS FORUM

Have your say in the future of golf in Arbroath!

Members Forum: This takes place on Tuesday 24th May at 7-00 pm in the Clubhouse and is hosted by Audra Booth our Regional Club Development Officer from Scottish Golf. It is an opportunity for both Golf Course and Golf Club members to come together to discuss their likes and dislikes about the club and course and allow their respective committee's to plan for the future knowing what the members think is important to them. An on-line questionnaire has been sent to all members whom we have an e-mail address for, please take 5 minutes to fill it in, your thoughts are important to us. Please take the opportunity to attend this meeting and help move club and course forward in the way you want.

If you have not received the link to the questionnaire, or require the link again, please send an e-mail to arbroarthartisan@btconnect.com. To aid a prompt reply please specify "SGU Forum link" in the "Subject" bar.
